

A LITTLE HISTORY

Eggshell Cafe was established in February 2002, to delight our customers with the highest quality food in a warm and inviting atmosphere. Having cut my teeth in the restaurant business, becoming the proprietor of Eggshell Cafe was as natural a fit for me as a soccer ball at my feet. I hope you enjoy your experience here very much.

My years of experience have taught me that the only way to succeed is to align myself with like-minded vendors who place the highest value on quality and freshness. We proudly work with Versa Foods for spices and mixes, and with Sysco Foods for meats, fruits and vegetables.

The dedicated members of my staff, many of whom have been with me since day one, are an essential part of our success and are here for you. And last, but not least, I would like to thank you, the customer, for your support and continued patronage. We hope to see you soon and often.
